MESSAGE OF D(F),NCL ON GST

From 1st July 2017 the Govt. of India is going for a biggest change in the indirect tax structure in India after Independence called as Goods and Services Tax i.e. GST. Implementation of GST will be a herculean task for all its stake holders. On the front of NCL also, we are committed to go hand by hand with the Govt. of India towards implementation of GST from 1st July 2017.

To ease out the difficulties and sort out the ambiguities of the new tax regime i.e. GST regime, NCL has opened a separate Portal named as GST Awareness on NCL website, where all the necessary information have been uploaded which will be updated from time to time to educate all the stake holders. At corporate Level there will be a separate GST cell in the Corporate Taxation Department of NCL HQ, headed by Sri Hemant Sindhvani, Asst. Manager(Fin/Tax) whose contact no. is 9406965210. Besides this at all the Projects of NCL the Area Finance Managers will extend all necessary help towards any queries on GST.

On the part of NCL we are very much confident that NCL will not lag behind in implementation of GST with the help of our learned and capable team of officers from its schedule date of start i.e. 1st July 2017.

However, we will always look forward to any suggestions and inputs to improve our facilities at all help desks.

(P. S. R. K. Sastry)
