MESSAGE OF D(F),NCL ON GST

It's my pleasure to inform you that the GST is going to be implemented w.e.f. 1st July 2017 in the whole country. NCL has also not left any stone unturned to fully implement the GST in all the fields where GST is applicable. All the stake holders have been duly informed and trained to rise to the occasion for seamless transition to GST era.

NCL has taken all steps to be technically equipped to smoothly generate the coal sale bills and other requisite forms/challans required as per GST notifications. To clear any doubts on GST, a help desk at Corporate Taxation Cell of NCL HQ has also been opened during working hours, services of which may also be availed.

Hence, it's my earnest request to all stake holders to be fully prepared to welcome the implementation of GST w.e.f. 1st July 2017.
