

Referring a patient outside for investigation/treatment

I. Procedure:

Any employee or his/her dependent family member, when falls ill & when treating doctor decides that he/she should be referred outside for investigation / treatment, the proposal for referral is processed on prescribed proforma. A Board of Doctors (RMB – Referral Medical Board) at NSC goes through all such proposals every Thursday. If RMB recommends the proposal, then it is put up for approval for competent authority. CMS, NCL is the competent authority for referral of all patients to Govt. Institutions with medical advance less than or equal to Rs.10,000/- only. For all other patients, recommended proposals from RMB, if deemed fit, are forwarded by CMS, NCL to Director(Personnel) for approval. After approval of competent authority, a communication is issued from NSC to the employee concerned with a copy each to CGM & AFM of the respective area.
